## CONNECTING PEOPLE WITH PEOPLE, PATIENTS WITH PATIENTS

Being affected by a rare disease can be challenging. Whether you're living with a rare condition or caring for a loved one who has been diagnosed, there is someone to talk to who may understand your journey.

Peer Connects, a phone-based program, matches you with a STAR Ambassador who will share their story with you, and with whom you can share your experience and ask questions—no matter where you are in your personal healthcare journey.

**Call Peer Connects today to register\* to  
speak with an Alexion STAR Ambassador:
